Volunteers welcome!

The **East Central Ontario Art Association (ECOAA)** was organized in 1960 and has brought together many artists, ranging from absolute beginners to seasoned professionals, from eastern Ontario and beyond. The primary purposes are to work and learn with others of similar interests in art and to provide displays of the work produced.

ECOAA is delighted to present its 61st, annual juried show at the Kawartha Artists' Gallery & Studio in Peterborough, ON. The gallery opened in June 1990 to encourage artistic development through studio classes, workshops and mentoring while providing opportunities for new and established artists to show their art work.

The success of ECOAA has been proven over and over, in terms of instruction, personal growth and satisfaction, sales, and the many lasting friendships resulting from the association's activities.

In addition to the juried show, ECOAA has an annual "Mystery of the Park" show held at the Algonquin Park Visitor's Centre and there is an ongoing display and sale at the Campbellford Memorial Hospital Foundation.

The club organizes three weekends in Halliburton each year and joins with a sister club, Central Ontario Art Association, in presenting a weekend workshop in September. As well, there are a number of paint outs offered by members throughout the year.

Membership is only \$40 per year. Members enjoy a 10% discount on art supplies at Curry's and DeSerres' stores. If an artist joins ECOAA after Sept. 13, 2019, the membership will carry over to Dec. 31, 2020.
